Kisii High School, Kisii, Kenya

- Grade: A- (Minus)

Kenya Certificate of Primary Education (KCPE)

2018

Mwangaza Primary School, Isiolo, Kenya

- Score: 361 Marks

WORK EXPERIENCE

Sales Agent, Operations Department | Equity Bank — Isiolo Branch April–August 2024 & April–August 2025

Focused on digital transformation, customer education, and new business acquisition.

- **Digital Adoption & Literacy:** Spearheaded customer education initiatives on the Equity Mobile App and Equitel SIM cards, simplifying complex digital tools to enhance financial inclusion and client self-service capabilities.
- **New Business Acquisition:** Consistently exceeded onboarding targets by registering an average of 15+ new customers daily for Equitel lines and mobile banking services.
- **Customer Engagement:** Leveraged transaction interactions to identify opportunities for digital upselling, directly contributing to the branch's digital migration goals.

Cashier, Operations Department | Equity Bank — Isiolo Branch February–August 2023

Managed high-volume teller operations with a focus on service efficiency and deposit mobilisation.

- **High-Volume Transaction Processing:** Efficiently served over 100 customers daily, ensuring accurate cash handling, swift service, and strict adherence to banking compliance standards.

- **Revenue Generation:** Proactively marketed fixed deposit products during routine transactions, successfully mobilising KES 5,000,000 in new fixed deposits through consultative selling.
- **Customer Service Excellence:** Built strong rapport with clients, resolving inquiries promptly and fostering trust that facilitated cross-selling opportunities.

Additional Recognition:

- **Athletic Achievement:** Awarded 2nd Place in the 100-metre sprint at the bank's internal "Integames," demonstrating personal discipline and active team participation.

TECHNICAL PROJECTS

E-Commerce Website *PHP | MySQL | HTML | CSS | JavaScript*

- Developed a fully functional e-commerce platform with product catalogue, shopping cart, user authentication, and order management system.
- Implemented secure backend processing using PHP and MySQL, handling user data protection and transaction integrity.
- Designed responsive UI with a mobile-first approach, ensuring optimal experience across all devices.
- Integrated session management and form validation to enhance security and user experience.

BonnieInfratech Company Website *HTML5 | CSS3 | JavaScript*

- Built a responsive, multi-page corporate website for an IT infrastructure company to enhance online presence.
- Implemented modern CSS techniques including Flexbox and Grid, with animations and transitions for improved UX.
- Utilised vanilla JavaScript for interactive features including navigation menus, form validation, and dynamic content.
- Optimised website performance through image compression and efficient code structure.
